ABOUT AALO

“We want that education by which character is formed, strength of mind is increased, intellect is expanded and by which one can stand on one’s own feet”.

- **Swami Vivekananda**

We all are familiar with this famous quote by Swami Vivekananda and incidentally this forms the pillar on which we have laid the foundation of our organization. At AALO we believe in paving the way forward for potential students from BPL households who have all that it takes to excel in education. But unfortunately what they lack is the economic ability to move forward with their dreams. We at AALO endeavour to provide them with that magic wand in the form of financial support taking them one step closer to realizing their dreams. And AALO will strive towards this end. We started our journey on 12th January, 2012 on the auspicious occasion of 150th year Birth Anniversary of Swami Vivekananda and we have never looked back ever since.

The organization mainly consists of students (B.A. & B. Sc. batch of 2007) from Ramakrishna Mission Residential College, Narendrapur along with some Professors from the same institution mentoring as friend, philosopher and guider. Above all AALO is run under the blessings of **Swami Suparnananda** or Satya Da (as called dearly by all), the then Principal of Ramakrishna Mission Residential College, Narendrapur, (presently General Secretary of Ramakrishna Mission Institute of Culture, Golpark) and **Dr. Pradip Kumar Ghosh**, Registrar, Jadavpur University. There are also two professors who have been constantly associated with AALO, Sri **Achintyam Chatterjee** (RKM residential College, Narendrapur, and **Dr. Bijan Sarkar** (Jadavpur University).

Although we started off with Narendrapurians, but over time people from different walks of life have been kind enough to extend their helping hand and joined us in our journey. We are

lucky to have students & faculties from **Jadavpur University, National Chemical Laboratory, Pune, Indian Institutes of Science Education and Research, Kolkata, The Indian Association for the Cultivation of Science**, Kolkata and many other reputed educational institutions at AALO.

AALO is a Non-Profitable Trust (registered from Government of West Bengal). AALO provides financial assistance to the poor and meritorious students (equivalent to Swami Vivekananda West Bengal Government Merit-cum-Means Scholarship Scheme) 6000 (INR.) per annum.

VISION

When we started our journey, all we had was will power and absolute support from a few near ones. That in due course of time our collective has culminated into a fairly networked platform through our modest means. The vision is to provide students a volley of support through which they can achieve an integral development as envisioned by Swamiji himself.

“Educate and raise the masses, and thus alone a nation is possible …”

The vision is to make education available to the meritorious but poor students not as a monotonous prism, but a prism through which they can enjoy the different colours of intellect, and in due course appreciate enlightening others thus helping in building the “strength of character, a spirit of philanthropy, and the courage of a lion” in a person.

The clairvoyance of AALO is to ensure an environment of quality and sustainable education for the economically weaker section. By next decade we want to see a society where pedigree will not be proportional to ambitions of young talents. We project a productive violet-hour by the end of this decade, which in other words means, we envision working as hard as

possible to ensure that these students can get what they deserve. And by working in this area of interest, AALO stands committed to be the rock solid support to all the vulnerabilities of this concerned section's students.

We have started with nearby districts, and gradually we plan to spread our support to all the districts of this state. The vision is to strive towards providing a platform which will help them climb the ladder of their dreams to reach the zenith of their achievements.

TRUST REPORT

This year (2016-17) AALO has undertaken the responsibility of fifteen new students of **Nine District (Bankura, Birbhum, Purba Medinipur, Paschim Medinipur, Howrah, Hooghly, South 24 Parganas)** of south suburban Bengal. AALO has continued its support to the previous (2015-16) fifteen students as well. Since beginning, AALO has achieved to support about 61 students of the above mentioned districts. In 2011-12 AALO started off with giving out scholarships to **seven** students which increased to about 14-15 students per year from 2012-13 from different districts of West-Bengal.

The selection procedure is done using a mathematical expression giving equal weight to the score obtained by the candidate during initial screening (by means of marks, annual family income and dependent family members) and the interview score allotted by the panel members. AALO also provides **mentorship** for the students through their active members along with the scholarship. The mentors are in constant touch with the students and help them out with their studies and guide them with their own wisdom & knowledge. This year AALO has collected **Rs 211920/-** donation money from members. Most of the members of AALO are doing PhD and

some members are involved in their respective professionals. We thank all our members for their extensive support without which it would not have been possible to carry forward the mission of Aalo. Further increase in donation amount from coming year will help AALO to maintain its support to more number of students.

We have our website running successfully. Take a look if you want at www.aalo.org.in. The credit for its maintenance is due to Supartha Podder (webmaster of AALO) and Tanmoy Sinha (President of AALO). Becoming a member of AALO is just a click away. The website is regularly updated and latest news and activities can be found there easily. The student scholarship form is available on the website which makes it easy and hassle free for students for applying to AALO. This year we have received ~2200 forms from different districts. We thank Mr. Shishir Roy and Mr. Pracheta Gupta for their help in publishing the information of the scholarship through the daily newspapers “Anandabazar Patrika” and “Ajkal” respectively. We have a new P.O. Box address of Aalo for receiving forms. We sincerely thank Pavel for his support in opening the P.O. Box.

On successful completion of the **fifth Year, AALO organized Annual Celebration** along with Scholarship-giving ceremony, on **17th January, 2016** on the auspicious occasion of Birth Anniversary of Swami Vivekananda. The program was graced by **Professor Padmashree Bimal Ray**, (Former Director, Indian Statistical Institute, Kolkata), **Sri, Manoj Mitra** (renowned Actor), **Professor. Dr. Pradip Ghosh** (Registrar, Jadavpur University), **Prof. Achintyam Chatterjee** (RKM Residential College), **Professor. Bijon Sarkar** (Jadavpur University), **Prof. Rathin Ghosh** (RKM Residential College), **Professor. Satyaki Pal** (RKM Residential College) and **Mr. Shishir Ray** (Anandabazar Patrika) **along** with other distinguished people.

This year AALO organized three time student counseling and scholarship giving program on 5th April, 2015 at Jadavpur University, 5th September, 2015 at Jadavpur University and 17th January, 2016 at Jadavpur University in presence of many members of AALO and prominent persons. AALO is really grateful to Arts Faculty Students Union (AFSU) of Jadavpur University for giving their union room for student counseling. We thank Mr. Kushal Saha for his support, suggestion and auditing the account details of Aalo.

AALO is offering *Aginimitra Memorial Award* the student with highest mark in HS Examination among all AALO students of each batch. This year, the award goes to Sankar Samanta (**Madhyamik 89% to H.S. 96%**) and Sanjita Patra (**Madhyamik 74.9% to H.S. 89%**) for their very good results in their HS examination. We pray for their successful career ahead and we all will be with all the past students at their any need.
